

OPENFINANCE GOVERNANCE

Implementation Program

KEY OBJECTIVES

ABOUT THE PROGRAM

with this program you can implement the OpenFinance Governance Team that will lead and support the decoupling and standardization process.

WHY IS IMPORTANT!

Governance in a decoupling and standardization process is key to success, based on the fact that financial organizations are coming from monolithic vision and all the operative model was created based on that.

CoE Structure & Roles

Define the OpenFinance CoE Roles & Alignment with Organization

Governance Procedures

Define the Coe Procedures for Decoupling Governance

Decoupling Techniques

Implement OpenGroup Techniques for CoE
